re: Burnt Fork Distribution

Dear Sir:

I am enclosing a copy of a letter I have sent to Mr. Bishop respecting an interstate compact on Burnt Fork Creek, Beaver Creek and Henry's Fork Creek.

My records indicate that you are a member of the water users committee on Burnt Fork Creek, and I think it would be advisable for you and as many other water users who wish, to be present to meet with Mr. Monson at the time and place indicated. He will want all the information he can get from local users as to the water use made from diversions in Utah.

Very truly yours,

Ed. H. Watson,  
State Engineer.
